*Materials listed represent equivalents for dollars gifted. Actual items purchased will vary with need.

How it works:

You "buy" a door or window on behalf of someone you love instead of a tangible gift. Habitat then informs the recipient with a cheerful note describing the contribution made in their name. Each gift you choose represents a building block for another Habitat home. What's more, "Nuts & Bolts" is open year-round, so you can shop for birthdays, anniversaries, holiday gifts, and memorials anytime!
